### Commercial End User License Agreement (CEULA)

The Commercial End User License Agreement enables You to use the Frizzell Font files for commercial or client design work. The Commercial End User License Agreement allows You to create media that will represent an individual, company or organization.

### Permissible Uses of Frizzell Font Files

You can use the Font Files to create advertising, artwork, business cards, flags, logos, signage, packaging, page titles, posters, printed designs on material, websites or other products for your business/company or client's business/company.

### The Commercial End User License Agreement does NOT grant the use of Frizzell Font in:

- Mobile Applications
- Video Games
- E-Books
- Software and other Devices
- Feature length movies / films
- Products that are essentially letterforms
- Template files for blogs, online stores or website themes
- or for redistribution or resale in any circumstances

If you wish to use one Frizzell Font for any of the above purposes, you must email [hello@joemitchell.co](mailto:hello@joemitchell.co) for an Extended License.

### End User License Agreement

#### Acknowledgement

This Commercial End User License Agreement (CEULA) is a legal binding contract between 'You' - the customer and 'Joe Mitchell'. By purchasing a License and downloading / installing any Font Files (OTF and TTF files) licensed from [www.FrizzellFont.com](http://www.FrizzellFont.com) You agree that You have fully read,

understood and agreed to the terms and conditions of the CEULA. If You do not agree to the terms and conditions of the CEULA You are not authorized to purchase any Licenses or download, install or use any Font Files (.OTF and .TTF Files) from Joe Mitchell.

Upon completing the payment process, Joe Mitchell supplies You with a non-exclusive and nontransferable license to use the Font Files on the number of workstations as determined by the number of Licenses You have purchased. The '1 CPU' license allows You to install the licensed Font Files on a maximum of 1 workstation owned by a single person or company/organization at one (1) single geographical location. Font Files are not permitted to be shared via any form of network or server. The '2-3 CPUs' license allows You to install the licensed Font Files on a maximum of 3 workstations owned by a single person or company/organization at one (1) single geographical location. Font Files are not permitted to be shared via any form of network or server. If You require a License for more than 3 workstations then email **hello@joemitchell.co** to enquire about an extended license. The Font Files licensed are only for use for your own personal use or your own business, the Font Files remain the property of Joe Mitchell.

You agree to treat the Font Files as if it is confidential information. You agree not to copy, reproduce, transfer, sell, license, lend, file share, lease, sub-license or distribute any Font File downloaded from [www.FrizzellFont.com](http://www.FrizzellFont.com). You agree not to edit, modify, reformat, translate, hack or otherwise discover the Fonts working file. You agree not to alter the Font Files copyright notices as contained in the Font Files code. Any manipulation, violation of use, or Font pirating activity may result in legal action and prosecution. You agree to not re-create, base works or Fonts on Frizzell Font.

### **Use and Creation of Media**

Font Files from Joe Mitchell can be used to print any number of anything as long as it is produced within the allowances of the CEULA set by Joe Mitchell. You have no limits on the total number of copies or size of print. Font Files must not be available for others to use as part of an interface for (but not limited to) mobile applications, computer software, video games and e-books.

If necessary, with Joe Mitchell's permission you are permitted to supply Font Files to a printer or a service company for printing or manufacturing of physical material. You acknowledge to ensure the Font Files are not retained by the third party and that if the third party is required to make changes to the text they must purchase their own license to do so.

The creation of physical products or items for sale or distribution that are essentially letterforms from Fonts is prohibited. Prohibited products include but not limited to, stamps, stencils, temporary tattoos, real tattoos, alphabet stickers, alphabet toys, educational alphabet products, house numbers, alphabet letters or any words/quotes made from any material. Laser or water jet cut letters, glass or wall decals or wall art are also prohibited. If You would like to use a Font for a product in this manner, please email Joe Mitchell to purchase a license extension.

Under no circumstances are you allowed to embed or include Fonts into mobile applications or websites that allow third parties to use Fonts. For example but not limited to; online book, t-shirt or gift card creation and printing.

Font File Embedding/inclusion in electronic documents such as (but not limited to) packaged InDesign Documents, PDF, Word documents is only permitted under the absolute guarantee that anyone viewing the file cannot use or extract any Font Files from Joe Mitchell to edit or create new documents. It is strongly suggested to convert all text to outlines.

### **Mobile Applications, Video Games, e-Books, Software**
